Power trowel FTB475 / FTE475

1-phase, max. working width 475 mm

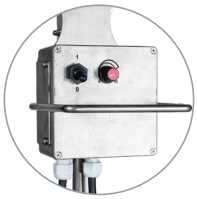

The power trowel is available in both battery-powered and electric versions

Several different blade options are available for different applications

Equipped with variable speed

Power trowel for epoxy-based coating compounds, floors with painted granules and stone carpet floors. Smooth and easy-to-manoeuvre power trowel for different types of floor coverings. The battery-powered trowel comes with three battery belts and two chargers for continuous operation. Unlocking from the parking position is quick and easy. In addition, you can unlock it with your foot, so you don't have to bend down. The design and handle make the trowel stable. The cable is integrated into the entire design to reduce the risk of cable breakage, for example.
The power trowel has a stainless steel design and is equipped with a dead man's grip. There are several different blade options for different applications – natural stone blades, white flex blades, grey plastic blades, compact blades (steel) and standard blades.

System & Accessories

Technical data

Power trowel	**FTB475**	**FTE475**
Type no.	11012864	11012863
Reference model Scanmaskin	Power trowel battery-powered	Power trowel electric
Motor power	0.35 kW	0.2 kW
Voltage / Frequency	24 V DC	230 V / 50 Hz
Nominal current	10 A	
Battery charger voltage	1 x 230 V	
Max. working width	475 mm	
Power trowel disc	500 mm diameter	
Power trowel blade	20 pieces	
Revolutions per minute	0-170 rpm	
Engine cooling	Air	
Application	Dry / wet	

Design

Battery-powered (Supplied with 3 battery belts and 2 chargers)	•	
Electric		•
Variable speed	•	•
Power trowel disc incl. 20 blades and on/off key for the power trowel disc	•	•

Dimensions & weight

Length	250 mm	
Width	550 mm	
Height	1490 mm	
Weight	13.5 kg 9.7 kg Battery belt	13.5 kg

Accessories

11018767 **	Batterybelt complete
11018768 **	Battery 12 V 15 Ah
11018769 **	Battery charger 1 x 90-240 V, 50/60 Hz
11018770 ***	Stone carpet blades (10 pcs needed, ordering 1 set, 10 pcs)
